

Amateur and Youth Clinics

are being offered by the
**Professional Paso Fino
Trainers Association Members**

Whether you are a new, intermediate, or experienced rider, these clinics will help you enhance your pleasure, trail, or show time on your horses. Topics to be covered include proper equitation and balance, show ring etiquette, trail etiquette and safety, flexibility for your horses, farrier work, and many others. Don't miss this opportunity to get the help you need, or just to tune up for show and trail season.

Clinics will be offered at only nominal fees to cover meals and other expenses. Professional trainers are donating their time for each clinic, as a "thank you" to the amateurs who support us. You may bring your own horse or attend as an auditor to watch.

See the contact information below to get details and costs for each clinic.
